Fall Begins

Fall lessons have started at our Upper East Side and Murray hill location. Kids are learning tennis, making new friends. Students feel happy with the talented instructors, entertaining classes, and exciting drills. We are also planning to expand to other locations in Manhattan, Brooklyn, Westchester and Long Island. We hope to form a junior competition squad in the future where young children can compete against other youngsters in the tri state area.

Our Organization

Elftennis is a unique organization devoted to providing tennis lessons to kids. We offer small classes, lower nets, foam balls and more. We used a game based method to teach the kids. Elftennis was founded by a tennis fanatic who had the desire to spread the joy of tennis to others. Please see our website www.elftennis.com.
